ADV SPEED GLOVE
1909893

ADV Speed Glove is a technically advanced glove with a wind-protective upper, tight fit and great grip for high-intensity cross-country skiing. Suede imitation at the palm gives optimal grip and durability, elastic scuba jersey at the wrist provides a snug fit and protection, and soft brushed fleece sits at the upper thumb.

- Wind-protective jersey upper
- Elastic scuba jersey at wrist
- Brushed fleece at upper thumb
- Suede imitation palm for grip and durability
- Reflective logo print
- Sizes: 6/XXS – 12/XXL

• 85% Polyester
