ENDURANCE 3
C17701

With enhanced breathability and supportive features, Endurance 3 is an all-round running shoe for various terrains and conditions – the go-to choice for everyday runs and a wide range of runners. A full Px Foam™ midsole ensures an explosive toe-off and soft landings for a smoother, more efficient stride. The engineered mesh upper provides a snug, adaptive fit. Built for both roads and light trails.

- Craft Endurance Fit™: narrow heel cup, mid-foot lock-in and spacious forefoot
- Breathable engineered mesh upper
- For road and light trail
- Sizes (EU): 39,5 – 49,5
