PACER
1915025

Pacer is Craft's most comfortable performance running shoe, with exceptional bounce and stability for a smooth, speedy ride – ideal for everyday runs and recovery sessions. A softer version of Px Foam™ in the midsole delivers a stable, responsive and highly comfortable ride, while the minimal outsole with hexagon lug pattern offers excellent road traction. The lightweight, breathable upper provides a snug and stable fit.

- Px Foam™ midsole with superior energy return
- Contoured chassis for reduced weight and premium comfort
