NORDLITE ULTRA 2 WOMAN
1915201

Nordlite Ultra 2 is a highly versatile road-to-trail running shoe with a TPU-reinforced upper for long-distance running. A full Cr Foam™ midsole provides cushioning and stability with reduced weight and explosive rebound. The HyperGrip traction outsole is designed for rugged roads and light trails. The new version has a softer heel, a more secure upper fit and increased durability.

- Cr Foam™ midsole – light, soft and with great energy return
- HyperGrip outsole for road and light trail
- Lightweight single-layer engineered mesh with TPU reinforcement
- Craft Endurance Fit™
- Sizes (EU): 35,5 – 42

- **Upper: 45% Polyester Recycled, 43% Polyester, 11% TPU, 1% Spandex**
