

RED BOW 29 SLIM FIT

2902902

The Bedford micro-cord structure in solid color gives the shirt class, and are well recommended for either business or a bit less formal occasions. The fabric is well known for us, and is aiming to be one of our top 3 classics. This time we added our new natural mechanical stretch performance to it. It allows the fabric to hold top grade non-iron performance, and adds greater movement with up to 12 % stretch the weft way. The typical Redbow line-shirt. Classical, yet detailed, giving the shirt a modern sophisticated look.
