TOVA CAR MUG
BROWN PANTONE 7596C
5018648

Tova is a future classic for those on the go. The optimal travel mug for enjoying a drink at any occasion. Tova's double-walled, vacuum-insulated design features a high-quality thin copper layer on the outside of the inner wall, providing better insulation to maintain temperature. The ceramic interior and the ability to drink from the mug at 360 degrees enhance the drink experience, creating the perfect drinking sensation. Tova's sleek powder-coated look is molded from seam-free recycled stainless steel and patterned with the characteristic Sagaranden. The mug is easy to disassemble and clean, making it suitable for beverages such as smoothies. Dishwasher safe. Leakproof. Keeps drinks hot for 4 hours and cold for 8 hours. Capacity 32 cl. Designed by Studio Sagaform. Delivered in a classic Sagaform box.
