**TYPE**

MEN'S

**DESCRIPTION:**

Heavily padded parka with removable hood, fully lined with sewn wide channels. Made of certified recycled polyester that is wind and water resistant (WP5000/MVP3000). The jacket is post-processed with Bionic Finish Eco, which also provides a water-repellent effect. Concealed full zip that goes up the collar and front pockets with zip and pocket flaps. Three inner pockets, one of which has a zipper. Strong hidden elastic around the hood opening and extra soft wristlets at the cuffs. Slightly curved model with drawstring at the waist for best fit.
