DESCRIPTION:

Vide cooler bag large is a modern, functional cooler bag with a sporty look in muted tones. Made from 50% recycled material and finished with waterproof seams, it’s built to handle moisture and everyday use. The spacious insulated compartment keeps food and drinks cold throughout the day, while outer pockets, side mesh pockets and a practical front bungee cord system add extra storage for essentials. An adjustable shoulder strap makes it comfortable to carry to picnics, outings or the beach, and reflective details improve visibility after dark. Available in several colours and sizes.
Design Studio Sagaform. Wipe clean with a damp cloth.
Dimensions: 28x23x33 cm
